Re: Information Request, Township 8 South, Range 18 West, Tooele County

Dear Jennie:

In checking our database, we show records for **current** mining permits in Township 8 South, Range 18 West, SLBM, Tooele County, Utah for the following:

File Number	Company	Mine Name	Section	Mine Status
M/045/019	American Consolidated Mining Co.	Yellow Hammer Pit	24	Reclaimed
S/045/055	Wellman Mining Corp.	Brown Rock #7 / Rocking Chair	14	Active
S/045/023	Clifton Mining Co	Heart Mine	25	Inactive

We also have records of two properties in our exploration files in this location. However, because the exploration records are confidential records, I am unable to further disclose the location of these projects. However, as you are in the process of transferring one of the projects to your company; that one is listed. Again, these are only the current permits on record.

File Number	Company	Mine Name	Section	Mine Status
E/45/125	Woodman Mining Company	Woodman Cane Springs		Active
E/45/052	Clifton/IP Project (Kiewit)	Clifton/IP Project (Kiewit)	24	Reclaimed

Of these five projects, the only ones with sureties is the Yellow Hammer and the Clifton/IP Project (Kiewit). The others have less than five acres disturbance; therefore, no bond is required.

If we can be of further assistance, please contact us.

Sincerely,

Joelle Burns
